If a teammate is eliminated during the registration period and does not re-enter, the team will play on the single remaining chip stack and continue to tag out each level. Players must wear their JACK issued wristbands at all times during play. Players may not switch teams, even if both teammates are eliminated. Once the money is reached, all teams will be issued a single use button allowing up to a 60 second clock to converse as a team. Big blind posts the single ante each hand. The ante is posted before the big blind. Levels last 20 minutes. There will be no breaks after teams combine. The buy-in is \$200 (\$160+\$40).

Registration is open until the start of level 9. This is an unlimited re-entry event. During the break after the completion of level 8 players may forfeit their stack and re-enter for \$130. A player who accumulates 165,000 in tournament chips (The Milestone) will be awarded a \$1,000 Pot Limit Omaha Event entry. The satellite will end when the number of players remaining is equal to the the number of entries to be awarded per the prize pool less the number of players who achieved The Milestone. It is the player's responsibility to notify the dealer and Tournament Director when they have reached The Milestone. If a player subsequently falls below The Milestone prior to verification, then the player will not achieve The Milestone until their chip total is once again over 165,000 in tournament chips. Big blind posts the single ante each hand. The ante is posted before the big blind. The big blind ante is only counted towards the size of the pot after the flop. An entry into the \$1,000 MSPT 8 Handed Pot Limit Omaha Event will be awarded for every \$1,000 in the prize pool. Any remaining funds will be distributed to the next highest placing finisher. Players may win multiple seats. Additional wins may be paid in casino chips. Levels last 20 minutes. The buy-in is \$130 (\$100+\$30).
